Hello Parents and Students

Welcome to our last week of school. This year has flown by incredibly fast. Thank you for your patience and understanding as we adjusted to the changes this year. I am extremely grateful and appreciative of our students, our parents, our staff, and our school district for their positivity, their support and their adaptability during these trying times.

Thank you:

- To Mr. Bennett: You have been a huge part of our Central family for 9 years. Your energy knows no bounds. We have been tremendously fortunate to have your sport expertise, your dedication to our students, your positivity and your willingness to always help out.
You will do great things at Anne Roberts Young and we are so happy for you.
We wish you nothing but success and possibly an eventual Maple Leaf Stanley Cup. We will sure miss you next year!
- To Mrs. McEachern: You have taken on many roles during your 12 years at Central. Your dedication to our students, our parents, and your willingness to help all your colleagues will leave a big hole in our family. Anne Roberts Young is lucky to have you.
- To Mme Brittany: Our grade 1 students have loved your weekly themes and activities. We wish you well as your return to your home province of Ontario.
- To Mme Phoebe: Our Kindergarten students have blossomed this year under your guidance. We wish you lots of sunshine as you take on a new position in Kelowna.
- To our Grade 6 students: Thank you for being positive role models for our younger students. We wish you all the best next year at Bert Bowes.
- To our Parents: Thank you for helping us become your child's teacher these past few weeks. I know it has not always been easy. Your resiliency to adapt to our new school model has been remarkable.
